

**AMYCEL • MONTEREY MUSHROOMS • SPAWN MATE**

**NOTICE OF SALARIED POSITION**

**April 29, 2008**

|                               |                                   |
|-------------------------------|-----------------------------------|
| <b><u>TITLE</u></b>           | OTR/Local Driver                  |
| <b><u>LOCATION</u></b>        | Temple                            |
| <b><u>SUPERVISOR</u></b>      | Irvin Platt, Distribution Manager |
| <b><u>DATE OF OPENING</u></b> | Immediate                         |

This is a full-time, non-exempt position. Must be able to work a flexible schedule to complete assigned runs. This position interacts with customers and requires a high level of interpersonal skills.

**Responsibilities**

- All drivers must adhere to DOT regulations at all times.
- Conduct both pre-trip and post-trip tractor/trailer inspections and complete inspection reports.
- Fuel tractor and reefer at farm.
- Operate reefer, maintaining appropriate temperature for optimum quality of product.
- Unload product according to customer's specifications.
- Pick up scheduled backhauls.
- Fill out trip reports, and any other necessary paperwork. Bring back signed bills of lading for billing purposes and turn in to Security.
- Report feedback to Monterey Distribution Management and/or Sales.
- Maintain DOT logbook, accurately recording both on-duty driving hours, on-duty not driving hours, off duty hours and sleeper berth hours.
- Observe and practice both DOT and Monterey Mushrooms safety procedures at all times. In the event of an accident, notify supervisor/manager immediately.
- Perform job with attention to personal safety as well as the safety of others and attend scheduled safety meetings.

**Requirements**

- At least one year commercial driving experience is preferred.
- Possession of a valid class A CDL.
- Ability to pass a DOT physical and a Drug Test as well as random drug/alcohol tests.
- Ability to pull a 53' trailer.
- Ability to operate a reefer unit.
- Ability to Lift up to 20 Lbs.
- Ability to use forklift / pallet jack
